To Whom It May Concern,

RE: REFERENCE FOR WASTE MANAGEMENT SERVICES – DROP-OFF FACILITIES OPERATIONS, WASTE HANDLING, CHIPPING AND TRANSPORTATION

This letter serves to confirm that Envisioned Future was appointed to deliver waste management services relating to the operation and management of waste drop-off facilities, including coordinating the handling, chipping, and transportation of waste, for the period 2015 to 2018.

The total contract value for the duration of the project was approximately R1,890,850.00.

The scope of services included:

- Operation and management of waste drop-off facilities
- Waste handling, sorting, and material recovery support
- Chipping of green and bulky waste to optimise disposal and recycling
- Transportation of waste to approved disposal and processing facilities
- Implementation of health, safety, and environmental compliance measures
- Operational reporting and record-keeping

During the contract period, Envisioned Future demonstrated consistent performance. We found them to be a competent and dependable service provider, with strong operational capability, sound understanding of waste management practices, and a professional approach to service delivery.

The company maintained a positive working relationship with stakeholders and demonstrated the ability to meet contractual requirements within the required timeframes.

Based on our experience, we confidently recommend Envisioned Future for similar waste management and environmental services projects.

Should you require any further information, please do not hesitate to contact the undersigned.

Yours faithfully,

Directors: S E Dube,
