REFERENCE LETTER: PROJECT MANAGEMENT SERVICES
ENVISIONED FUTURE (Pty) Ltd

To Whom It May Concern,

This letter serves to confirm that Envisioned Future (Pty) Ltd was involved in the provision of project management services in support of the following project:

Project Title: Reinstatement of Nolungile 3kV DC and 11kV AC Substations on the Central Rail Corridor in the Western Cape.

Project Value: R52 812 033.

Client: Passenger Rail Agency of South Africa (PRASA).

Programme: Central Line Recovery Programme.

Envisioned Future provided comprehensive project management and coordination services, which included but were not limited to:

- Programme coordination and project oversight within a live rail infrastructure environment
 - Contract administration support, including engagement on extension of time (EOT) processes
 - Stakeholder coordination between PRASA, contractors (including Winding Technologies), community and project teams
 - Monitoring of project progress against contractual milestones and deliverables
 - Facilitation of communication and reporting on project performance and risks
 - Support in cost management processes, including review and alignment of contract adjustments
- The project formed part of a critical infrastructure recovery initiative aimed at restoring key traction substations along the Central Line corridor. During the course of the project:
